Leaders Training

Training is a vital element within YCYH. As well our responsibility to protect and safeguard the children/young people entrusted to us through child protection, we want to provide the right training for all leaders, supporting, enabling & equipping them to be more effective when working with children/young people.

Has the training received been effective in meeting your needs as a leader within YCYH? If so, in what ways?

Is there any other training that you would like to receive?

Next year we are looking to have a full day together for Leaders and Senior Taskforce. This will give more time for training, fellowship, as well as provide better opportunities for leaders to plan more effectively for Whithaugh 2009. *(Please tick boxes as applicable)*

I would you be interested in a full day together on a Saturday.

I would be interested in a full day together on a Sunday.

I would prefer to have a half day together as it presently is.

Any views/comments/improvements on training:
