**Training**

Training is a vital element within YCYH. As well our responsibility to protect and safeguard the children/young people entrusted to us through child protection, we want to provide the right training for all of Taskforce (i.e. leading bible studies, praying with young people, food safety, child protection etc), equipping and enabling them to be more effective when working with children/young people.

Has the training received been effective in meeting your needs for Taskforce within YCYH? If so, in what ways?

**Taskforce – Meetings/Socials**

We hope to improve Taskforce over the coming year, providing further opportunities for you to meet up and be involved. This would include: having times of fellowship/prayer/socials together; 'Living the Life' weekend away; play an increasing part in citywide events such as 'RUup4it?'; preparation to be a YCYH leader etc. These would take place every 2 – 3 months. Would you like to be involved in this? Have you any ideas/suggestions on how we could make this happen? What would you like to see at these Taskforce meetings?
